

DECLARATION OF BUILDING WASTE MANAGEMENT

Scan to access the Environmental Product Declaration

GRES ARAGON declares that:

The ventilated façades by FAVEKER have an Environmental Product Declaration certified by EPD SYSTEM.

In point A5 of EPD is included a table with the waste that are derived from product installation and construction process.

The waste derived from the the packing of the ceramica pieces per facade square meter are:

Waste	Type	LER Code	Treatment Code	Waste per facade sq m	Destination
Cardboard	No Dangerous	150101	R5	35 gr.	Managing waste through an authorised dealer for recycling
Plastic	No Dangerous	170203	R5	138 gr.	
Wood:pallet	No Dangerous	170201	R3	963 gr.	

Otherwise, 3% of product losses have been considered at the installation stage, both ceramices plates and auxiliary materials for assembling. The waste generated by losses per facade square meter are:

Waste	Type	LER Code	Treatment Code	Waste per facade sq m	Destination
Ceramic tiles	No Dangerous	170103	R5	970 gr	Managing waste through an authorised dealer for recycling
Cardboard	No Dangerous	150101	R5	4,1 gr.	
Plastic	No Dangerous	170203	R5	1,1 gr.	
Wood:pallet	No Dangerous	170201	R3	28,9 gr.	
Aluminium profiles	No Dangerous	170402	R4	30 gr.	
Steel Clips-Screws	No Dangerous	170405	R4	4,2 gr.	
EPDM profiles	No Dangerous	170203	R5	5,4 gr.
